When using processors, we only disclose personal data of our customers on the basis of a valid contract on data processing. In the case of joint processing, a joint processing agreement is concluded.

Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

- If you have raised an objection pursuant to Art. 21(1) GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

YouTube with expanded data protection integration

Our website embeds videos of the website YouTube. The website operator is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

We use YouTube in the expanded data protection mode. According to YouTube, this mode ensures that YouTube does not store any information about visitors to this website before they watch the video. For instance, regardless of whether you are watching a video, YouTube will always establish a connection with the Google DoubleClick network.

As soon as you start to play a YouTube video on this website, a connection to YouTube's servers will be established. As a result, the YouTube server will be notified, which of our pages you have visited. If you are logged into your YouTube account while you visit our site, you enable YouTube to directly allocate your browsing patterns to your personal profile. You have the option to prevent this by logging out of your YouTube account.

Furthermore, after you have started to play a video, YouTube will be able to place various cookies on your device or comparable technologies for recognition (e.g. device fingerprinting). In this way YouTube will be able

to obtain information about this website's visitors. Among other things, this information will be used to generate video statistics with the aim of improving the user friendliness of the site and to prevent attempts to commit fraud.

Under certain circumstances, additional data processing transactions may be triggered after you have started to play a YouTube video, which are beyond our control.
